Your written bid is requested for the following:

The Butler County Sheriff's Office is requesting bids for specific vehicle equipment in three (3) categories. Each bidder is requested to bid on any or all of the categories and equipment items.

1. The first category is a bid for "parts" only.
2. The second category is for "labor" only which would be the total cost of installation of all parts on an individual vehicle and may include customer provided radar and/or portable radio charging docks. BCSO may decline to install radars on some or all vehicles in which case the radar installation cost will not be included on the vehicle installation invoice.
3. The third category is a cost proposal of labor for the removal of safety equipment when requested by BCSO. BCSO requires removal of safety equipment on vehicles (i.e. sale of vehicle, vehicle trade-in, damaged vehicle). See attached list of equipment that would be removed per vehicle.

All parts shall be delivered to the vendor that is selected for labor/installation portion of this bid. The labor/installation vendor will be responsible for receipt and accuracy of all parts shipped to their location. Vehicles will be delivered to the labor/installation vendor at time of installation, unless other arrangements are made between BCSO and the labor/installation vendor. BCSO prefers that the installation vendor be within a 60-mile radius of 705 Hanover Street, Hamilton, Ohio. BCSO warranty work, inspection of installation follow-up maintenance. Installation of equipment and completion of a vehicle shall be within a reasonable period of time after receipt of all equipment.

Butler County reserves the right to award partial bids to multiple vendors. Bidders may receive bid awards for some but not all of the items on the specified list.

The total bid package is on particular law enforcement equipment to be installed on **up to** eight (8) marked Dodge Durango vehicles and one (1) marked Dodge Durango K9 vehicle identified on the BID FORM. The total number of vehicles listed is subject to change.

Please see Exhibit A for the specific listing of equipment items required. Each bidder is invited to bid on **any** or **all** of the three (3) **categories**. All equipment needs are included on Exhibit A.

Total cost for labor/installed is to be shown on the **BID FORM** provided.

Bid shall be SEALED and bear on its face the NAME and ADDRESS of the bidder and be plainly marked "**BID ON ITB SO-2025-03-01 – Butler County Sheriff's Office 2025 Safety Equipment for Vehicles (Parts and Labor)**".

Any questions concerning specific parts and/or labor items should be directed in writing to Lieutenant Jeff Schuster at jschuster@butlersheriff.org or Debra Maloney, Assistant Finance Director at dmaloney@butlersheriff.org.

Bidders Please Note: Butler County is an equal opportunity employer and has specific certifications regarding equal opportunity that are applicable to all contracts/purchases in excess of \$2,000.00.

A copy of the Bid Tabulation may be obtained by sending an email to dmaloney@butlersheriff.org.

IMPORTANT: Bids to be sealed and endorsed on the outside of the envelope with the name of the bidder and item bid upon.

Bidder is required to use the County Bid Form.
